Education

CMR Engineering College

Bachelor of Technology in Information Technology, CGPA: 8.70

November 2021 – present

Hyderabad, Telangana

TSRJC Nandi Medaram

Intermediate in MPC, Percentage: 86.8

November 2019 – May 2021

Nandi Medaram, Telangana

ZPHS Rudravaram

SSC, GPA: 9.0

June 2014 – May 2019

Rudravaram, Telangana

Relevant Coursework

- Data Structures
- Database Management
- Machine Learning
- Web Development
- Artificial Intelligence
- Blockchain Technology

Internship

Smart Interviews

Mentor at Smart Interviews

October 2023 – July 2024

Hyderabad, Telangana

- Guided students in understanding and solving problems related to data structures and algorithms, ensuring conceptual clarity.
- Delivered personalized assistance by conducting doubt-clearing sessions and actively resolving problem-solving queries on the course discord channel, ensuring timely and approachable support for individual challenges.
- Encouraged the development of logical thinking and problem-solving skills by providing structured approaches to challenging algorithmic tasks.
- Maintained consistent engagement throughout the course duration to foster a collaborative and supportive learning environment.

Projects

Machine Learning Based Bank Customer Churn Prediction | *Python, Machine Learning*

September 2024

- Developed a predictive model to identify bank customers at risk of churn, improving retention strategies.
- Utilized Gradient Boosting Machine (GBM) for enhanced predictive accuracy and Borderline-SMOTE for addressing class imbalance.
- Built a Flask web application for real-time churn prediction and efficient data handling.
- Integrated functionality to export at-risk customer data to Excel for analysis and decision-making.

Coding Cube | *Html, Css, Javascript*

December 2023

- Designed and developed an interactive 3D Coding Cube using HTML, CSS, and JavaScript, featuring rotation with mouse, scroll, and touch interactions.
- Integrated links to coding practice platforms and displayed upcoming contests to enhance user engagement.
- Created a visually engaging interface to provide a dynamic and intuitive way to access coding challenges.

Technical Skills

Languages: C, Java, Python, HTML/CSS, JavaScript, SQL

Developer Tools: GitHub, VS Code, Eclipse

Technologies/Frameworks: Basic knowledge of MERN Stack

Interests: Coding, Writing poems and song lyrics

Extracurricular Activities

- Awarded Mandal Level Certificate for excellence in poetry writing, showcasing creativity and expression.
- Achieved District Level Certificate in drawing, demonstrating artistic skills and attention to detail.
- Received Goodies from Smart Interviews for excellent performance during my training program.
